Liverpool Traffic & Pedestrian Management Plan

Tippers

Pedestrians

Protected Walkway

Designated Walkway
Pedestrians **MUST** give way to vehicles and plant

Operational Area
Only authorised pedestrians are permitted to conduct work in operational areas

Vehicles and Plant

Vehicle Route
Follow the direction of the vehicle route. Drivers MUST not exit their vehicle unless they can access a designated walkway or to complete designated work.

Front End Loader (FEL)
FEL operates in all operational areas.

FEL has right of way at all times and always establish positive communication (verbal and/or visual contact) with FEL operator before approaching within 20 metres.
